Medi-Dose® EPS®

HIGH ALERT!

One simple step can help reduce IV medication errors

Unit Dose, Bar Coding, Pharmacy & Nursing Supply Experts!

IV LINE TRACING LABELS BY EPS®

FREE SAMPLES

EPS Line Tracing Labels improve medication accuracy and minimize IV line confusion.

Place the large High Alert Warning label onto the IV infusion container. Then remove the two smaller labels and place onto each end of the IV tubing. Just peel and apply!

Visit our website to see our newest stock labels...or easily customize your own for any medication with our exclusive MILT software.
