Nursing Supply
Experts!**

Seeing is Believing!

Detect-A-Dose™ makes it easy!

Detect-A-Dose™ Lid-Label® Covers have been uniquely designed to ensure proper medication counts and protect against diversion.

Simply tilt sealed blisters one way to contrast light medications on the dark background or the other way to contrast dark medications on the light background.

Detect-A-Dose™ - another effective safety solution from Medi-Dose.

Simple. Reliable. Medi-Dose®
