Medi-Dose®

TampAlert®

Simple. Safe. Secure. Since 1971, the Medi-Dose® and TampAlert® unit dose packaging systems have continued to meet the specific needs of correctional care pharmacies.

Medi-Dose® is the economical answer for packaging and dispensing your solid oral medication. Available in 13 styles, with 6 or 12-month beyond-use dating options, it's moisture and light resistant. No in-service training is required and it's barcode ready. Medi-Dose® uses no metal, glass or machinery...so it's safe to use for both your staff and patient population.

TampAlert® is the ideal tamper-evident solution for liquids or powders. It's stocked from 15 to 120 mL, in natural or UV inhibitor polyethylene, with regular or child-resistant screw caps. The TampAlert® seal goes on automatically when you twist on the container cap.
